Farmers Insurance by David Lorms Donates to Waltrip High School

Houston, TX (Grassroots Newswire) February 20, 2009 -- David Lorms, Farmers Insurance Agent, donated \$600 to Project Graduation at Waltrip High School. Project Graduation is designed to provide a safe and memorable alternative to graduation without the influence of drugs and alcohol.

Alcohol is the #1 drug of choice among teens in America and kills more young people than all illicit drugs combined. A national survey conducted in 2006 showed that 73% of high school seniors have tried alcohol. Over 2,000 youth, ages 15-20, were killed in traffic crashes involving alcohol in 2005.

Pictured (l-r) are Kris Killam, Instructor and Senior Class Sponsor, David Lorms, Farmers Insurance Agent, and Margaret Preston, Associate Principal.
